**BRAZOS COUNTY YOUTH
LIVESTOCK SHOW AND
AUCTION**

BRAZOS COUNTY EXPOSITION COMPLEX

March 16 – March 23, 2019

Dear Brazos County Youth Livestock Show Exhibitors, Parents and Supporters,

As in the past, the 2019 Brazos County Youth Livestock Show and Sale is anticipated by numerous 4-H and FFA members from throughout Brazos County. On behalf of the show management, I would like to extend a sincere welcome to all of our participants.

As you can see, our BCYLS Rule Book continues to improve and be more user friendly. This is to help you, the exhibitor, parent and volunteer to more easily understand all of the requirements and guidelines concerning exhibition of projects. Additionally, you should note page 14 for important rule changes for the 2019 show.

To successfully plan for an educational activity, many hours of work are donated by all of our volunteers and supporters. A sincere thank you goes out to these people and we look forward to the 2019 show's success. Please feel welcome, good luck and we'll see you at the Brazos County Exposition Complex on March 16 through March 23, 2019!

Sincerely,

Barry Bouse
President

This disciplinary action shall also apply to any immediate family members.
- D. No exhibitor may be disqualified from competition without show management approval.

4. Statement of Liability

All exhibitors shall indemnify the Brazos County Youth Livestock Association against all legal or other proceedings in regard thereto.

5. Objectionable Exhibits

- A. The management reserves the right to remove from the grounds any exhibit that may be falsely entered or deemed unsuitable without assigning any reasons therefore.
- B. No exhibit is to be purchased from the judge of the same division.
- C. If an exhibitor has been disqualified from the competition in a major show or has had a premium withheld or withdrawn on the ground of rule violation involving misrepresentation, fraud or deception, he/she will not be allowed to compete in the Brazos County Youth Livestock Show.
- D. If a junior exhibitor is found in violation of any of the Brazos County Youth Livestock Show rules, he/she and his/her immediate family may be forever barred from showing in the BCYLS.

9. Care of Animals, Stalls and Pens

- A. All exhibits must remain in assigned areas until released by the livestock superintendent.
- B. Exhibitors are required to feed, water and care for their own exhibits.
- C. All exhibits, stalls and pens and adjacent areas of exhibition must be cleaned and presented for display before 8:00 a.m. each day and refuse matter disposed of in the appropriate containers or as directed by management.
- D. If exhibitors refuse to keep their assigned areas and/or exhibits clean and neat, the management reserves the right to have said areas and/or exhibits properly cleaned with the cost to be charged against the exhibitor.
- E. There will be no hay or straw used in bedding livestock.
- F. No trailers will be permitted to park inside the pavilion except those used by the facilities superintendent.

10. Exhibition of Entries

- A. The owner must be in attendance to exhibit and sell his/her own entry in the market show, commercial show, and family and consumer sciences show. If an exhibitor is determined to be academically ineligible, then the entry is ineligible.

EXCEPTION: A substitute exhibitor may be used under the following conditions:

- 1. When an exhibitor has more than one (1) entry in a class, or
- 2. When an exhibitor is sick (request must be accompanied by a signed statement from a doctor), or
- 3. When an exhibitor is participating in an approved school activity (Texas A&M AgriLife Extension, UIL, athletic event, etc). This request must be accompanied by a signed statement from the exhibitor's school principal or designee on school letterhead.

In instances 10-A-2 and 10-A-3 above, a formal substitute exhibitor request *MUST* be made *PRIOR TO OFFICIAL CHECK-IN AT THE SHOW* to the division chairperson from which the exhibitor is entered and the Chairman of the Board for the BCYLA.

Substitute exhibitors *MUST* have at least one (1) project Checked-In at the current Brazos County Youth Livestock Show.

- B. Exhibitors in the breeding show may enter as many animals as desired but must be the owner of each animal entered.
- C. The schedule of judging exhibits, as published, will be followed as closely as possible. Exhibitors are responsible for ascertaining the time their entries are to be judged and any entry not presented promptly on schedule, or when the class is called by the arena director, will be ruled out and barred from competition in the class called. No complaint or protest that the judge failed to see the entry will be considered by the show management.
- D. When an exhibitor is called upon to furnish one or more entries for use in the judging contest and clinic, the exhibitor is expected to do so. Refusing to allow an entry to be used in this manner for any cause not meeting with the approval of the show management will result in forfeiture of all privileges afforded by the Brazos County Youth Livestock Show and be barred from further participation in the show. Entries used in the judging contest and clinic will be selected through the division chairperson and insofar as possible will be obtained from those who wish to cooperate with the Brazos County Youth Livestock Show.
- E. In the case of an overweight or underweight animal, the exhibitor may request that the scales be cleaned, re-balanced and the animal re-weighed only once immediately. Re-weighing at a later time is prohibited.
- F. Any exhibitor interfering with the judges or attempting to influence their decision will have his/her exhibits barred from competition and shall receive no awards, nor shall be allowed to sell in the auction.
- G. All exhibitors should be dressed in appropriate show clothes on the night of the sale. *No decorations on any animals will be allowed on sale night.*
- H. Market animals previously sold at any other livestock show are not eligible for the Brazos County Youth Livestock Show.
- I. All exhibitors must take a picture at the show backdrop with the show photographer.

11. Selection of Judges

A committee of five people to consist of the Chairman of the Board of Directors, the Show President and three other association advisors will meet to review a list of qualified judges and to select from that list people to be contacted and asked to serve as judges for the Brazos County Youth Livestock Show. Judges names will be randomly drawn and contacted in the order they are drawn. Judges will be invited back two (2) years unless the judge chooses not to return or the committee chooses not

to invite the judge back. The judges committee or the Board of Directors has the authority to set judges' fees.

12. Showmanship

A. Exhibitors must own their animal in order to participate in the showmanship contest. For the showmanship contest, age categories are determined by the exhibitors' birthday as of September 1st the previous year. The age categories are as follows:

Senior Division	9 th – 12 th Grade
Intermediate Division	6 th – 8 th Grade
Junior Division	3 rd – 5 th Grade

Showmanship rabbits may be brought in their own rabbit carrier to the show grounds on the day of the show.

13. No inhumane or abusive actions, such as hot shots, shall be allowed in any division during the Brazos County Youth Livestock Show.

14. The Brazos County Youth Livestock Association management reserves the right to make any unannounced visits to the project *any time* during the feeding period.

15. CHAPTER 87, CIVIL PRACTICE AND REMEDIES CODE

UNDER TEXAS LAW (CHAPTER 87, CIVIL PRACTICE AND REMEDIES CODE), A LIVESTOCK SHOW SPONSOR IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN A LIVESTOCK SHOW RESULTING FROM THE INHERENT RISKS OF LIVESTOCK SHOW ACTIVITIES.

16. All Exhibitors must adhere to the 2018-2019 TEXAS 4-H/FFA LIVESTOCK PROGRAM ETHICS POLICY (Updated April 2018). This document is available at: <https://texasyouthlivestock.com/wp-content/uploads/2018/05/2018-2019-Ethics-Policy-FINAL-1.pdf>

Premium Auction Rules

1. The Brazos County Youth Livestock Association sponsors a premium auction for market, ag mechanics and family & consumer sciences classes. The total number of sale lots are limited to 230 projects.
2. For 2019, the number of sale lots from each division are set. This number will be reviewed annually and adjusted per division based on the 3-year average of eligible arrivals per division. When an exhibitor has more than two (2) entries arriving at the show in a division, only two (2) will be counted as entries arriving at the show. *Example: if an exhibitor arrives at the show with six (6) steers, only two (2) will be counted in the number of steer entries.*
3. The table below lists the number of lots that **WILL SELL** per division.

	NUMBER OF SALE LOTS
MARKET STEERS	25
MARKET BARROWS	60
MARKET LAMBS	15
MARKET GOATS	30
MARKET BROILERS	32
MARKET TURKEYS	10
MARKET RABBITS	42
FCS	14
AG MECHANICS	2
TOTAL	230

4. Each exhibitor is limited in the sale to the following:
 - A. Each exhibitor is limited to the sale of one (1) animal per species **or FCS division project** with a maximum of two (2) sale lots from multiple species. The sole exception is halter and commercial steers. An exhibitor will be allowed to sell two (2) beef projects, but only one (1) from the halter steer division and one (1) from the commercial steer division.
 - B. The next ranking entry in the sale order or same class, as applicable, will replace ineligible sale lot winners if one exhibitor has more sale lots than authorized for the premium auction.
 - C. If any exhibitor has more than two (2) entries eligible for the premium auction, they must notify the recording secretary on Friday of the show, in writing, within 30 minutes of the conclusion of the market steer show, whichever is sooner, which entry or entries are to be dropped. Failure to do so will necessitate that the show management make this determination.
 - D. For the Junior Commercial Steer Sale, only steers grading Select or higher will be eligible to sell. Sixty percent (60%) of the commercial steer pens arriving at the show will be sold, with a minimum of eighteen (18) pens selling.
 - E. **Premium sale eligibility for all market barrows, steers, lambs and goats will be determined by using a percentage-per-class calculation.**

- F. **Grand Champion** and **Reserve Grand Champion** of each market species division **MUST** sell regardless of the two item rule. All **Breed Champions** (***NOT RESERVE BREED CHAMPIONS***) are required to sell provided that the exhibitor two item rule is not exceeded.
- G. ***Premium Sale Eligibility Exception – Reserve Breed Champion***: Within a show division that places Breed Champions and Reserve Breed Champions and utilizes the percentage per class model for the determination of eligibility for the Premium Sale, the Reserve Breed Champion shall be eligible to sell in lieu of a percentage-eligible placing exhibit shown in a separate class and replace the lower placing exhibit from the Premium Sale. {Explanation: This rule intends to allow for the top two placing animals within a breed division to sell when at least two exhibits are eligible within that division. For explanation purposes, the British Division of the Market Steer Show can be used as an example. Consider the situation where there are two classes of British Steers with 4 entries in Class 1 and 5 entries in Class 2, and percentage calculations indicate Class 1 to have 1 eligible Premium Sale lot and Class 2 to have 2 eligible Premium Sale lots (for a total of 3 British Steers eligible for the Premium Sale). If the judge finds the Breed Champion and Reserve Breed Champion from Class 1, both the Breed Champion and Reserve Breed Champion will be eligible for the Premium Auction while only the 1st place British Steer will be eligible from Class 2.}
- F. **Slight adjustments may be made to eliminate an odd number of sale lots within a breed so as to not resort to a coin flip between classes that may have the same number of entries. (Example: 2 OPB barrow classes with only 3 sale lots. A 4th sale lot will be awarded and be accounted for within the other breeds IN THAT DIVISION).**
5. The Brazos County Youth Livestock Association will provide an official photographer to make photographs of all grand champions and reserve grand champions with the exhibitor and their buyer(s). All exhibitors making a premium sale are responsible for providing a picture to their buyer. The cost of these photographs shall be paid for by the exhibitor. The Brazos County Youth Livestock Association reserves the right to use these photographs for publicity and illustrations in future publications.
6. Exhibitors are **REQUIRED** to write a proper thank you note(s) to the buyer(s) and/or add-on contributors of their sale lot or projects.

THE BRAZOS COUNTY YOUTH LIVESTOCK ASSOCIATION (BCYLA) WILL CLERK THE PREMIUM AUCTION. PAYMENT FOR ALL SALE LOTS AND ADD-ON BIDS WILL BE PAID THROUGH THE BCYLA. EXHIBITORS SHOULD NOT ATTEMPT TO COLLECT PAYMENT FROM BUYERS. TO RECEIVE PAYMENT, EACH EXHIBITOR WILL BE REQUIRED TO DELIVER A THANK YOU NOTE FOR EACH SALE LOT AND/OR ADD-ON, ADDRESSED, STAMPED AND READY FOR MAILING TO THE PREMIUM AUCTION CLERKS. DO NOT SUBMIT THANK YOU NOTES TO COUNTY EXTENSION AGENTS OR AGRICULTURE SCIENCE TEACHERS. FOR EACH SALE LOT, THE EXHIBITOR WILL ALSO BE REQUIRED TO DELIVERY A SALE PHOTOGRAPH TO THE BUYER(S) AND HAVE THE “BUYER CONFIRMATION FORM” SIGNED BY THE BUYER, VERIFYING THEY HAVE RECEIVED THE SALE PHOTOGRAPH. THESE FORMS WILL BE TURNED IN WITH YOUR THANK YOU NOTE(S).

CHECKS WILL BE ELIGIBLE FOR RELEASE TO THE EXHIBITOR ONCE THE BCYLA VERIFIES THAT ALL THANK YOU NOTES AND BUYER PHOTOGRAPHS HAVE BEEN DELIVERED AND PAYMENT HAS BEEN RECEIVED FROM YOUR BUYER(S). EXHIBITORS WILL BE NOTIFIED BY THE CLERKING COMMITTEE WHERE TO SUBMIT THE "THANK YOU" NOTES AND "BUYER CONFIRMATION FORMS."

All Premium Auction and/or Add-On Checks will EXPIRE 120 days from being issued. Ineligible exhibitors AND exhibitors who do not officially "Exhibit" their project during the 2019 BCYLS WILL NOT receive any add-on monies.

7. All market steers and market barrows that sell in the premium auction sale and those going to resale will be assessed a \$1.00 per head fee as required by the Beef and Pork Check-Off Programs. All market lambs selling in the premium auction or those going to resale will be assessed the mandatory national lamb check-off fee. All fees will be paid by the Brazos County Youth Livestock Association.

8. The premium auction sale order will be on a rotational basis every year in the stated order following all Grand and then Reserve Grand Champions: The order will have two (2) subsets and these will rotate within their subset. Grand Champion steers will remain as the first lot in the sale and the other three Grand champion species in Subset #1 will rotate in order every year. Reserve champions would mirror the order of the Grand champions. The remaining sale lots will maintain the same rotation as prior year's sales.

SUBSET #1

- 2) **Market Steers**
- 3) **Market Lambs**
- 4) **Market Goats**

Drug Use Policy

Brazos Youth Livestock, Inc., DBA Brazos County Youth Livestock Association (the “Show”) is organized for the education of youth in Brazos County with an emphasis on agriculture. In accordance with the Bylaws of the Show, a livestock exposition shall be held at least once each year (the “Livestock Show”).

- 1. Enforcement:** Any violation of this Drug Use Policy shall be subject to penalties, said penalties to be enforced at the sole and absolute discretion of the Board through the Board’s Drug Committee (Chairman and President). Penalties could include, but are not limited to, loss of any and all sales proceeds, add-on’s and awards, as well as Exhibitor being permanently banned from exhibiting in the Show or any Show in the future.
- 2. Certificate Forms:** Exhibitors are required to have a drug certification form signed by the following (a) Exhibitor; and, (b) Parent or Guardian. The Drug Certification Form shall be signed at validation and no Exhibitor will be allowed to show an animal without this certification form properly filled out, notarized and returned to the Livestock Show secretary.
- 3. Drug Certification Agreement:** Exhibitor and parent/guardian certify that none of Exhibitors entries have been administered, or that the Exhibitor and parent/guardian does not have any knowledge that any of Exhibitors entries have received any substance not approved by the Food and Drug Administration (FDA) and/or the United States Department of Agriculture (USDA) for food animals or extra label use not supervised by a veterinarian. Furthermore, the Exhibitor and parent/guardian certifies that all of Exhibitors entries are free and clear of **ALL** drug and chemical residue withdrawal and elimination time periods. BCYLA will enforce a zero tolerance policy.
- 4. Animal/Exhibitor Disqualification:** To foster fair competition, to provide a level playing field and to protect the safety of food, the showing of unethically fitted livestock or animals being administered unapproved drugs is strictly prohibited. Animals that have been administered an approved drug or chemical must allow sufficient time so that the drug or chemical is completely eliminated from the animals system at the time of check-in.
 - a. Unethical Fitting:** Unethical fitting means any attempt to alter the natural appearance, conformation, musculature or weight of an animal by any unnatural means. Unethical fitting includes the use of injections or feeding of material not conducive to the health of the animal, safety of food or marketability of its carcass. Unethical fitting also includes, but is not limited to, artificially filling animals by stomach pumping, (drench guns are permitted), airing injections and bruising. Animals showing signs of having been unethically fitted will be disqualified.
 - b. Prohibited Drug Use:** The showing of any animal that has been administered during its life any quantity of any prohibited drug, chemical or medication is strictly prohibited. Such drugs include, but are not limited to, any diuretic, unapproved growth stimulant or other prohibited medication. A list of Prohibited Drugs can be found on the Food and Drug Administration (FDA) website.

- c. **Approved Drug Use:** If an animal has been administered a drug that is FDA approved for their particular species or if extra label drugs have been used under the guidance of a veterinarian, sufficient time must have passed so that the animal does not test positive for that drug at weigh-in or show. **All animals must be free and clear of all drug and chemical residues at the time of weigh-in.** Please note that elimination time (the time it takes for no drug residue to be found in the system throughout the duration of the show) is generally longer than the labeled FDA withdrawal time for most approved drugs.
 - d. **Animal Inspection:** As condition for participation in the Livestock Show, Exhibitor must agree to submit for inspection, any animal entered by the Exhibitor. Exhibitor agrees to have such animal submitted to any tests requested by the Show. **The Grand Champion, Reserve Grand Champion and a minimum of one random lot in each market species will be drug tested. The number of lots tested will be consistent across all species.** Exhibitor also agrees that the opinion reached by the Show or its officials as to whether such animal is unethically fitted shall be final and binding without recourse against the Show or any of its officers. Further, the Show specifically reserves the right to have tissue, blood or urine laboratory analysis made on any animal entered for competition. The conclusions reached by the laboratory as to whether such animal has been administered a diuretic, unapproved growth stimulant or other unapproved medication, or has not been completely eliminated from approved drugs shall be final and binding without recourse against the Show or any of its officers. An Exhibitor of an animal testing positive for any drug or medication or unapproved chemical may forfeit all rights and privileges to exhibit livestock in the future at the Show.
 - e. **Unmanageable Animals:** The Show may disqualify any animal deemed unmanageable. Tranquilizers and sedatives for food animals are not approved by FDA.
 - f. **Emergency Treatment:** If an animal requires emergency treatment while on Show grounds, only the Official Show veterinarian will be allowed to administer any drug, chemical or feed additive. Animals which are administered treatments with a withdrawal or extended elimination time period will be disqualified from competition. Furthermore, the Official Show Veterinarian, in agreement with Show Management, reserve the right to treat any animal if, in the opinion of the Official Show Veterinarian, it is in the best interest of the animal's health and wellbeing to be treated. If the Official Show Veterinarian administers treatment to an animal, and therefore uses any medication that does not meet the appropriate withdrawal and or elimination time, will be determined ineligible for competition.
 - g. **Treatment Cost:** All treatment costs are the responsibility of the Exhibitor.
5. **Wholesome Meat Act:** The USDA Wholesome Meat Act applies to all market livestock. Only animals eligible for immediate slaughter may be brought onto the grounds and exhibited:
- a. Animals must be in good health and carcasses free of drug or chemical residues.
 - b. Drug label directions for use and withdrawal periods must be followed.
 - c. If drug or chemical residues are found in tissue of carcasses, the entire carcass may be condemned. The Show will in no way be liable or responsible for the condition of carcasses or the sale price of the animal. In such cases, the Exhibitor forfeits all rights to any and all proceeds including: Auction Price, Scholarships, Premium Awards, Market (Floor) Price and Special Awards.

- 6. Disclaimer of Warranties:** The Show expressly disclaims any express or implied warranties (including merchantability), whether the goods or services are provided by the Show or by others (such as drug testing). The Show does NOT provide security or guard services for individual exhibits and is not responsible for the acts of third parties. Exhibitor and Exhibitor's parents and/or guardians agree that the Show shall be entitled to disqualify any Exhibitor and/or family whose animal tests positive for any drug even if the Exhibitor and the Exhibitor's parents or guardians are innocent of any wrongdoing and had no role in the administration of the drug shown by the drug test. Even if the source of the drug is unknown, the Show shall be entitled to disqualify the Exhibitor. Disqualification results in forfeiture of all prize money, auction proceeds, add-on's and awards.
- 7. Disqualification/Condemnation of Animal:** The Show reserves the right to condemn and/or disqualify any animal, either live or slaughtered, found in violation of the use of drugs, chemicals or feed additives as described in Rule 4, 4a, 4b and 4c, and the Exhibitor will forfeit all auction sale and/or premium money, add-ons, or awards if the animal is disqualified. Forfeiture of awards, prize money, auction proceeds, add-ons are not limited to the entry that tested positive, but includes all entries by the exhibitor. If an animal(s) is disqualified for testing positive and/or the carcass condemned at slaughter, the class placing will not change. An Exhibitor of an animal testing positive for any drug or medication or unapproved chemical may forfeit all rights and privileges to exhibit livestock in the future at the Show. Additionally, no animal shall be administered any drug, chemical or illegal feed additive while on Show grounds without the Official Show veterinarian administering as described above in Section 4(f), or the Exhibitor will be subject to the penalties described in this paragraph.
- 8. Ultimate Care and Responsibility:** By making entry into the Livestock Show the Exhibitor agrees and understands that ultimate care and responsibility for an animal(s) rest solely upon the Exhibitor until such time that possession of the animal is turned over to the Show and/or its agent(s). The use by non-veterinarians* of animal drugs or other substances in any manner other than in accord with the labeling approved by FDA is a violation of federal law. Exhibitor and Exhibitor's parents and/or guardians agree that: (1) they are absolutely responsible persons for the care and custody of their animals, (2) the Show shall be entitled to disqualify an Exhibitor whose animal tests positive for any drug, even if the Exhibitor and the Exhibitor's parents or guardians are innocent of any wrongdoing and did not administer the drug, (3) the drug test results of the testing laboratories are final and binding upon the Exhibitor and the Exhibitor's parents and/or guardians. Even if the source of the drug is unknown, the Show shall be entitled to disqualify the Exhibitor.
- * Abuse of the extra-label privilege by veterinarians is unethical and is subject to serious consequences such as license revocation.
- 9. Protest(s)** must be filed in writing with the show President within 60 days of the drug test collection.

Division Chairpersons - Judy Kurten

Committee Members- Pat Shields, Bobby Kurten, Tanya Skinner, Casey Henley

Refer to 2019 Daily Show Schedule for specific information regarding project check-in and show times.

Purpose:

The purpose of the commercial steer show is to encourage more 4-H Club members and FFA members to participate in a practical beef production program. Emphasis on economy in the feeding operation is not only recommended, but it is a prerequisite for entry in this show.

Special Rules for Commercial Steers

1. Eligibility

Purebred, grade, or crossbred steers of any of the beef breeds are eligible to be entered in the junior commercial steer show.

Steers being fed for the junior commercial steer show must have been weaned prior to the official entry and tag-in date. Nurse cows are not permitted in this program.

2. Entry

An entry will consist of no more than four (4) steers but, must be at least three (3). **Each entry must** be kept and fed separately from any other cattle during this feeding program. Failure to feed an entry separate from other cattle or another pen entry could result in points deducted.

Any animal tagged with a BCYLA or State Validation tag will pay an entry fee and fill out an entry card for this division.

Official entry, tagging and weigh-in for the commercial steers will be held at the Brazos Valley Livestock Commission Company. This will be the only day for entering steers.

Entry of only one (1) pen per exhibitor will be accepted. This one (1) pen will consist of three (3) steers, **with a minimum of 2 steers weighing 1050 pounds or more.**

3. Project Visit

A validation committee, consisting of two (2) members appointed by the division chairperson, will make a scheduled visit to the feeding project on location during the last ninety (90) days of the feeding period.

4. Minimum and Maximum Weights

Each steer must weigh 1050 pounds to be eligible to compete. Only steers making the 1,050 weight will be eligible for points and sale. Steers weighing more than 1450 pounds will be

allowed to show, but there will be a 2-point deduction, per steer, from the total points awarded for the steer grading category.

5. Horns

Steers must be dehorned or horns must be clipped short. Otherwise, they will not be accepted in the show.

6. Handling

Steers need not be halter broken. No wild or unruly animals will be accepted. If it were necessary to remove one or more unruly animals from a pen, this would disqualify the entire pen. They will be shown in a group as pens.

7. Diseased Animals

All steers must be healthy and free from disease in the judgment of the livestock superintendent or they will not be accepted.

8. Records

All exhibitors must enter the feeding records contest and bring complete records of show on forms prescribed and furnished by the Brazos County Youth Livestock Association. A written examination and a personal interview will not be conducted unless complete records have been turned in to the division chairperson. Records not turned in at the specified time will be penalized 10 points.

9. Judging

The grading portion of this contest will use ultrasound (20% of total score). Ultrasound procedures will be performed by a certified ultrasound technician on all steers at final weigh-in. This will assist in exhibitors to choosing their pen of three. All steers must grade select or better to stay in the show. If any steer in a pen grades below select (i.e. standard and lower), it will be sifted and no points will be awarded for **THAT** steer for quality and yield grade and REA. Additionally, each steer grading standard or lower **WILL NOT** be sold in premium auction. In the event ultrasound data is compromised, the committee has the authorization to utilize visual grading or interpret the data from the ultrasound.

Steers will be graded individually as follows:
